ACT - Associates of Cygnet Theatre

was formed in 1990 and since then members have been involved in lively and varied ways: holding fundraising events, acting as front of house staff and promoting the work of the Cygnet Company.

Associates help to organise occasional buffet suppers after performances which give the audience a chance to meet the actors. The company really appreciates this support.

The subscription is £12 per annum for a single member, £20 for two people living at the same address. Life membership is also available at £105 single or £180 for a joint membership, and yearly membership is renewable every February.

Pro rata subscription rates are offered to those joining during the course of the year.

Hobson's Choice
Harold Brighouse

Membership Benefits include a reduction on the price of their theatre ticket - or a free ticket if bringing four guests.

Associates are invited to watch 'work in progress' on our assessment evenings, to enjoy lectures and open rehearsals not otherwise open to the general public.

Measure for Measure William Shakespeare

Associates gain a unique insight into the actors' development during their three-year training at the New Theatre in Exeter.
